

Cranchi A46 2022

Cranchi A46 Luxury Tender from 2022. Powered by two 480hp Volvo Penta IPS 650 diesel engines with only 100 running hours. She guarantees a massive reduction of roll with her Seakeeper 3 gyroscopic stabilizer. And thanks to the joystick steering, bow thruster, the Automatic List Control system, and the Coordinated Turn Control system she is easy to manoeuvre and perfect to trim. Full teak laid decks, massive lounge areas, drop down bathing platform, garage and T-Top with electric opening slats. 5kW generator, Garmin navigation, upgraded exterior upholstery, upgraded radio system, and a big outdoor galley with 2-burner cooker, grill, sink, ice maker and fridge. A week ago a complete service was done, a new antifouling, anodes and service for the IPS drives, the boat was polished and is therefore completely ready for the new season. The boat has French flag,
