

**Ferretti 670**

# Ferretti 670

The Ferretti Yachts 670 perfectly combines performance, comfort, and elegant design, offering a refined yachting experience in the 20-meter segment. Created to celebrate the brand's 50th anniversary, she stands out with her versatility and contemporary Italian style.

The yacht features one of the most spacious flybridges in her class, with a flexible furniture layout, along with a generous bow lounge area that easily transforms into a large sunbathing space. Large windows throughout the main deck create a seamless connection with the sea, filling the interior with natural light.

The layout is designed for both privacy and comfort, with a full-beam master cabin, a VIP cabin, and a guest cabin, accommodating up to 6 guests. The crew area is positioned separately, ensuring maximum discretion and sound insulation.

Equipped with advanced technology, a hydraulic bathing platform, and a garage for water toys such as SEABOBs, the Ferretti Yachts 670 is perfectly suited for both relaxed cruising and dynamic use at sea.

**Price:** 3,555,000€
