

MERRY FISHER 1295 COUPES

MERRY FISHER 1295 COUPES

A true appartement on the water, the flagship of the line offers a bright, magnificent living space, from the wheelhouse to the cockpit, with a 360° view of the sea and two opening sunroofs. The U-shaped galley, connecting interior and exterior spaces, becomes a gathering place while facilitating passage. The warm, inviting saloon benefits from seating designed with rounded edges, armrests, and leather handrails, enabling everyone to be comfortably seated around an extending table with two leaves.

Price: 445,800€
