

MERRY FISHER 695

MERRY FISHER 695

High-quality equipment makes the Merry Fisher 695 the perfect partner for your family outings at sea: large storage lockers, a small galley with a refrigerator, two forward berths, a saloon that converts into an additional berth, a separate marine head under the helm station, an L-shaped exterior cockpit, and wide swim platforms... And there is one more advantage to this model, already capable of so much: it is trailorable and can easily be stored in dry dock storage.

Price: 39,660€
