

Merry Fisher 795 Sport

Merry Fisher 795 Sport

The Merry Fisher 795 Sport is designed to facilitate sporty outings at sea. The vast, modular cockpit enables you to clear the space entirely, with numerous storage lockers and attachment systems for fishing or other marine activities requiring the handling of equipment. Even the cockpit roof is designed without supports, in order to facilitate movement on board and avoid obstructions while casting. In just minutes, the cockpit changes into a saloon with removable bench seating and tables. This boat also features a U-shaped saloon in the forward cockpit, with two atmospheres that can be perceived from one side or other of the wheelhouse.

Price: 56,100€

Specification

Length: 7.19 m
