

Wellcraft 28 T-Top

Wellcraft 28 T-Top

Thanks to the [W.I.S.E. \(Wellcraft Infujection Structure Engineering\)](#) technology combined with the **stepped hull design**, the **Wellcraft 28 T-Top** boasts exceptional **seakeeping**, **efficiency**, and **performance**. Its **high freeboards**, **closed transom**, **oversized handrails**, and **one level walkaround deck including a dive door** deliver the **rugged** style explorers demand. Additionally, its **striking silhouette**, **iconic Z-line** and protective **T-Top** give it a powerful offshore look. Opt for the **High windshield** for maximum protection or the **Sport windshield** for a more open, **driving pleasure** vibe. Aft, choose the layout that fits your adventures: **Lounge** (social, up to 13 seats), **Barracuda** (fishing ready), or **Relax** (full sunbed).
