

WellCraft 33 T-Top

WellCraft 33 T-Top

If you are looking for a fast twin-stepped hull, modular aft cockpit layouts, and confident handling in demanding conditions, the **Wellcraft 33 T-Top** is built for you. With speed above 50 knots and smart onboard comfort, it is made to do more.

The bow cockpit creates an open social space for shared adventures, while the **aft cockpit is fully configurable**, with each layout built to match your plans on the water: • **Lounge**: standard, built to maximize seating capacity and onboard storage. • **Relax**: optional, a more comfort-driven layout with a large sunbed for three, a U-shaped dining area facing aft, a forward-facing bench, and generous storage. • **Barracuda**: exclusive to the Wellcraft 33 T-Top, this family fishing-focused layout includes a live well, fish box, tackle storage, rod holders, and up to 11 forward looking seats.
